

Rubric – Cell pamphlet

Title page:

Make sure that all the parts (organelles) are on the title page.

Make sure that you have the right organelles in the right section.

Ex: the 2 cells have a cell membrane, but the plant cell has a cell wall.

The title page needs to be well drawn and colored.

/4

Content:

The 3 sections must be properly represented.

Each part of the cell must have a small drawing and a detailed explanation.

Each part must be written in the correct section. Animal or plant or both section (what do they have in common).

Marks for each section:

Colored (small drawing next to the word)	/4
Detailed explanation of each organelle	/4
Good comprehension of cells	/4
Cleanliness	/4
